Attention:

This truck is transporting supplies for the relief operations in response to Hurricane Katrina. These supplies may include medical supplies, food, ice or water that is desperately needed by victims of this hurricane.

Please allow this driver to obtain an adequate supply of fuel as needed and not be subject to provisions such as rationing.

Confirmation may be obtained by viewing the manifest if needed to verify contents of the load.

Your cooperation in this matter is greatly appreciated and is essential to the success of these life saving missions.
